

LA DONNA ANELLO

LOVE IS THE PERFECT DEFINITION OF BEAUTY. TOGETHER FOREVER.

A jewel lasts longer than a dress and, in addition to being a symbol of a bond, is a sculpture able to merge design, art and fashion in a single "object" that becomes a symbol of prestige. Anello is a jewel, something precious that plays on the customization of the decoration and on the alternation of solids and voids, making it elegant, current and at the same time suitable for any stylistic solution. Harmony and gestures at the first touch, Anello gives grace and elegance to everyday life for a feminine lines total look, a game of geometric and sinuous volumes. The collection has numerous water supply variants and each bathroom accessory is coordinated accordingly.

Anello presents unusual finishes and patterns enhancing the design, considered also as an alternative to metal surfaces that we are used to seeing in the field of design.

Anello offers the opportunity to create innovative looks thanks to the unprecedented finishes proposed, playing with fashion just like a woman. The Collection incorporates numerous variables that are variously modular and coordinated. Sophisticated and concrete, the new Anello collection by Gessi interprets a contemporary, intense woman aware of her own charm that conquers the scene thanks to the softness of its volumes.

Un gioiello dura più di un vestito e oltre ad essere simbolo di un vincolo è una scultura, capace di fondere design, arte e moda in un unico "oggetto" che, diventa simbolo di prestigio. Anello è un gioiello, qualcosa di prezioso che gioca sulla personalizzazione del decoro e sull'alternanza di pieni e vuoti che lo rendono elegante e attuale e al contempo adatto ad ogni soluzione stilistica. Armonia e gestualità, al primo tocco, Anello, conferisce grazia ed eleganza al quotidiano per un total look dalle linee femminili, un gioco di volumi geometrici e sinuosi.

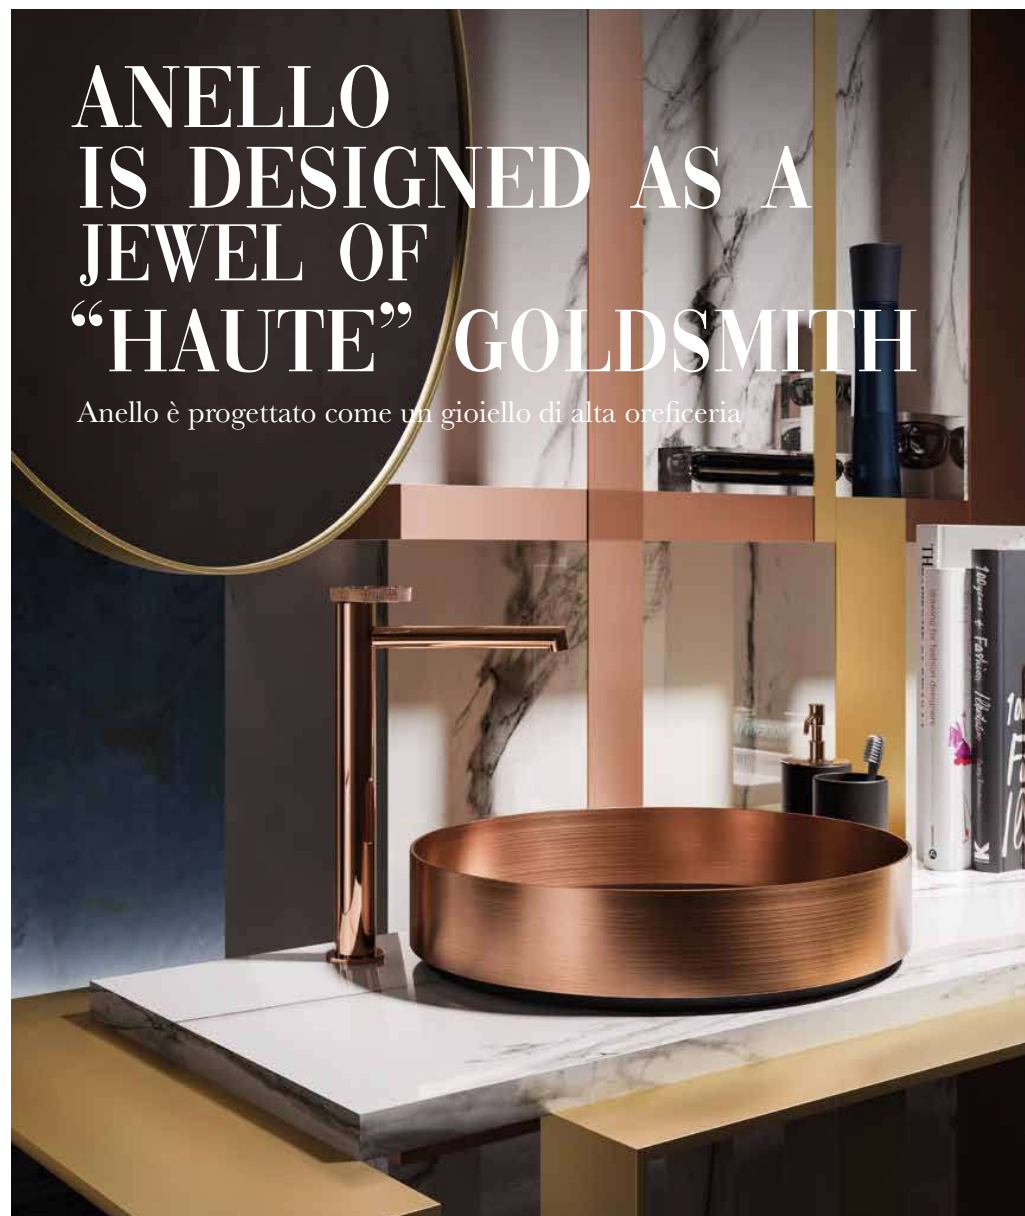

La collezione possiede numerose varianti di erogazione dell'acqua e ogni accessorio del bagno è coordinato riportando le caratteristiche lavorazioni. Anello presenta inedite finiture e motivi che ne esaltano il design e costituiscono un'alternativa alle superfici metalliche che siamo abituati a vedere nel campo del design.

Anello offre la possibilità di realizzare look innovativi anche grazie alle inedite finiture proposte, giocando con la moda proprio come una donna. La Collezione incorpora numerose variabili differenziate componibili e coordinabili. Sofisticata e concreta, la nuova collezione Anello di Gessi interpreta una donna contemporanea intensa e consapevole del proprio fascino che grazie alla morbidezza dei volumi conquista la scena.

64 ANELLO

ANELLO IS DESIGNED AS A JEWEL OF "HAUTE" GOLDSMITH

Anello è progettato come un gioiello di alta oreficeria

UNIQUE & PRECIOUS, JUST LIKE JEWELRY

In this version, Anello is presented in the warm bronze finishing: prestigious, precious and elegant, to show off in attracting attention as a not underestimated temptation. The bronze color gives light and refers to the nuances of nature in order to transform a design item into something much more luxurious. Through PVD technology, bronze is a highly resistant finishing that acquires further value, thanks to the combination of a circular and refined shape of a ring.

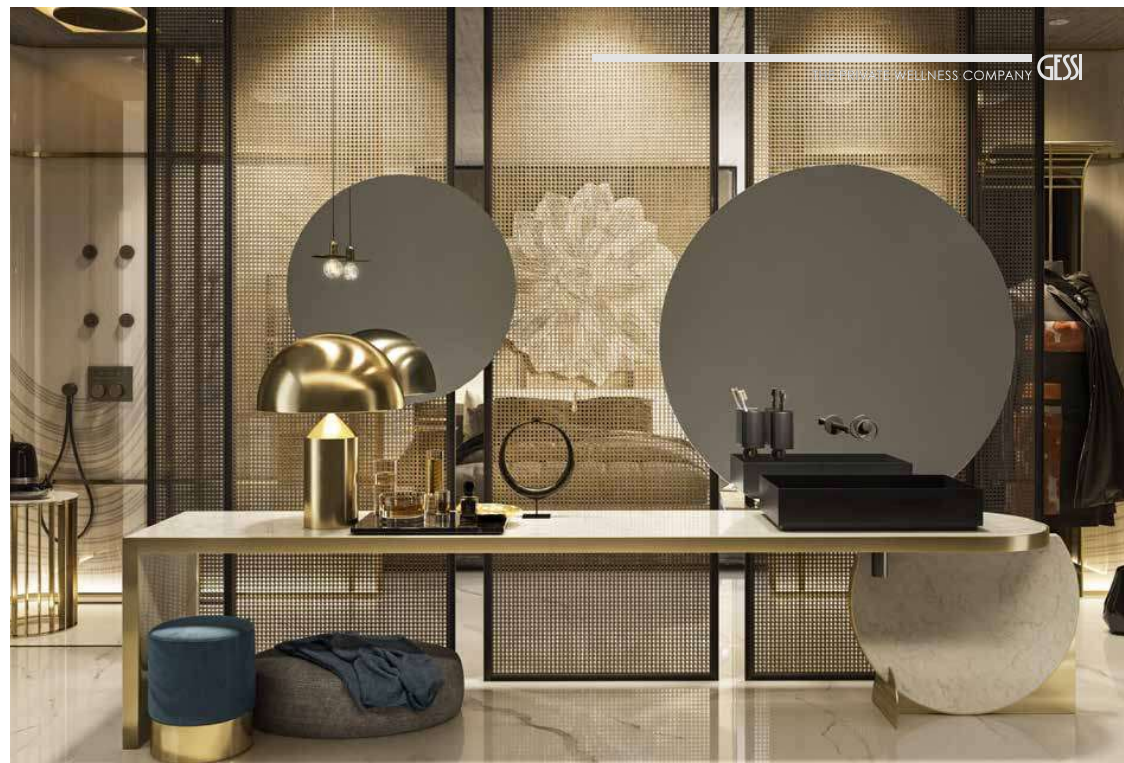

In questa versione Anello è proposto nella finitura warm bronze: prestigioso, prezioso ed elegante, da sfoggiare per attirare l'attenzione come una tentazione da non sottovalutare.

Il color bronzo, dona luce e rimanda alle sfumature della natura per trasformare un oggetto di design in qualcosa di molto più lussuoso. Attraverso la tecnologia PVD, il

bronzo è una finitura altamente resistente che, in abbinamento alla forma circolare e raffinata di Anello, acquista ulteriore pregio.

66 ANELLO

Unici e preziosi, proprio come gioielli

Anello wears an antique brass finishing : antique brass that adds a touch of authenticity while elegantly highlights and enhances the silhouette of the design. Gold, black and brown tones reinforce and contrast the decorations, highlighting the outlines. To obtain the antique look, the process begins with the sandblasted brass, first painted in gold, then in black or brown, afterwards highly skilled craftsmen brush the surface manually, bringing to light the golden tones.

Anello si veste della finitura antique brass, l'ottone anticato che aggiunge un tocco di autenticità mentre evidenzia ed esalta con eleganza la silhouette del design. Rinforza e contrappone le decorazioni, evidenziando i contorni, nei toni oro, nero e marrone. Per ottenere l'aspetto anticato il processo inizia con l'ottone sabbiato, che prima viene verniciato in oro e poi in nero o marrone, quindi artigiani altamente specializzati spazzolano manualmente la superficie, riportando alla luce i toni dorati.

68 ANELLO

A TRIBUTE TO THE ATTENTION TO DETAIL

Un elogio alla cura dei dettagli

A slender and supple body, in this version Anello can be admired in Chrome finishing. The handle ring jewel is transformed into a distinctive element, thanks to the combination of the decoration and the smooth surface of the body. Characterized by a mirror polished effect, chrome is a great timeless classic in the bathroom and guarantees versatility and unlimited creativity thanks to its purity.

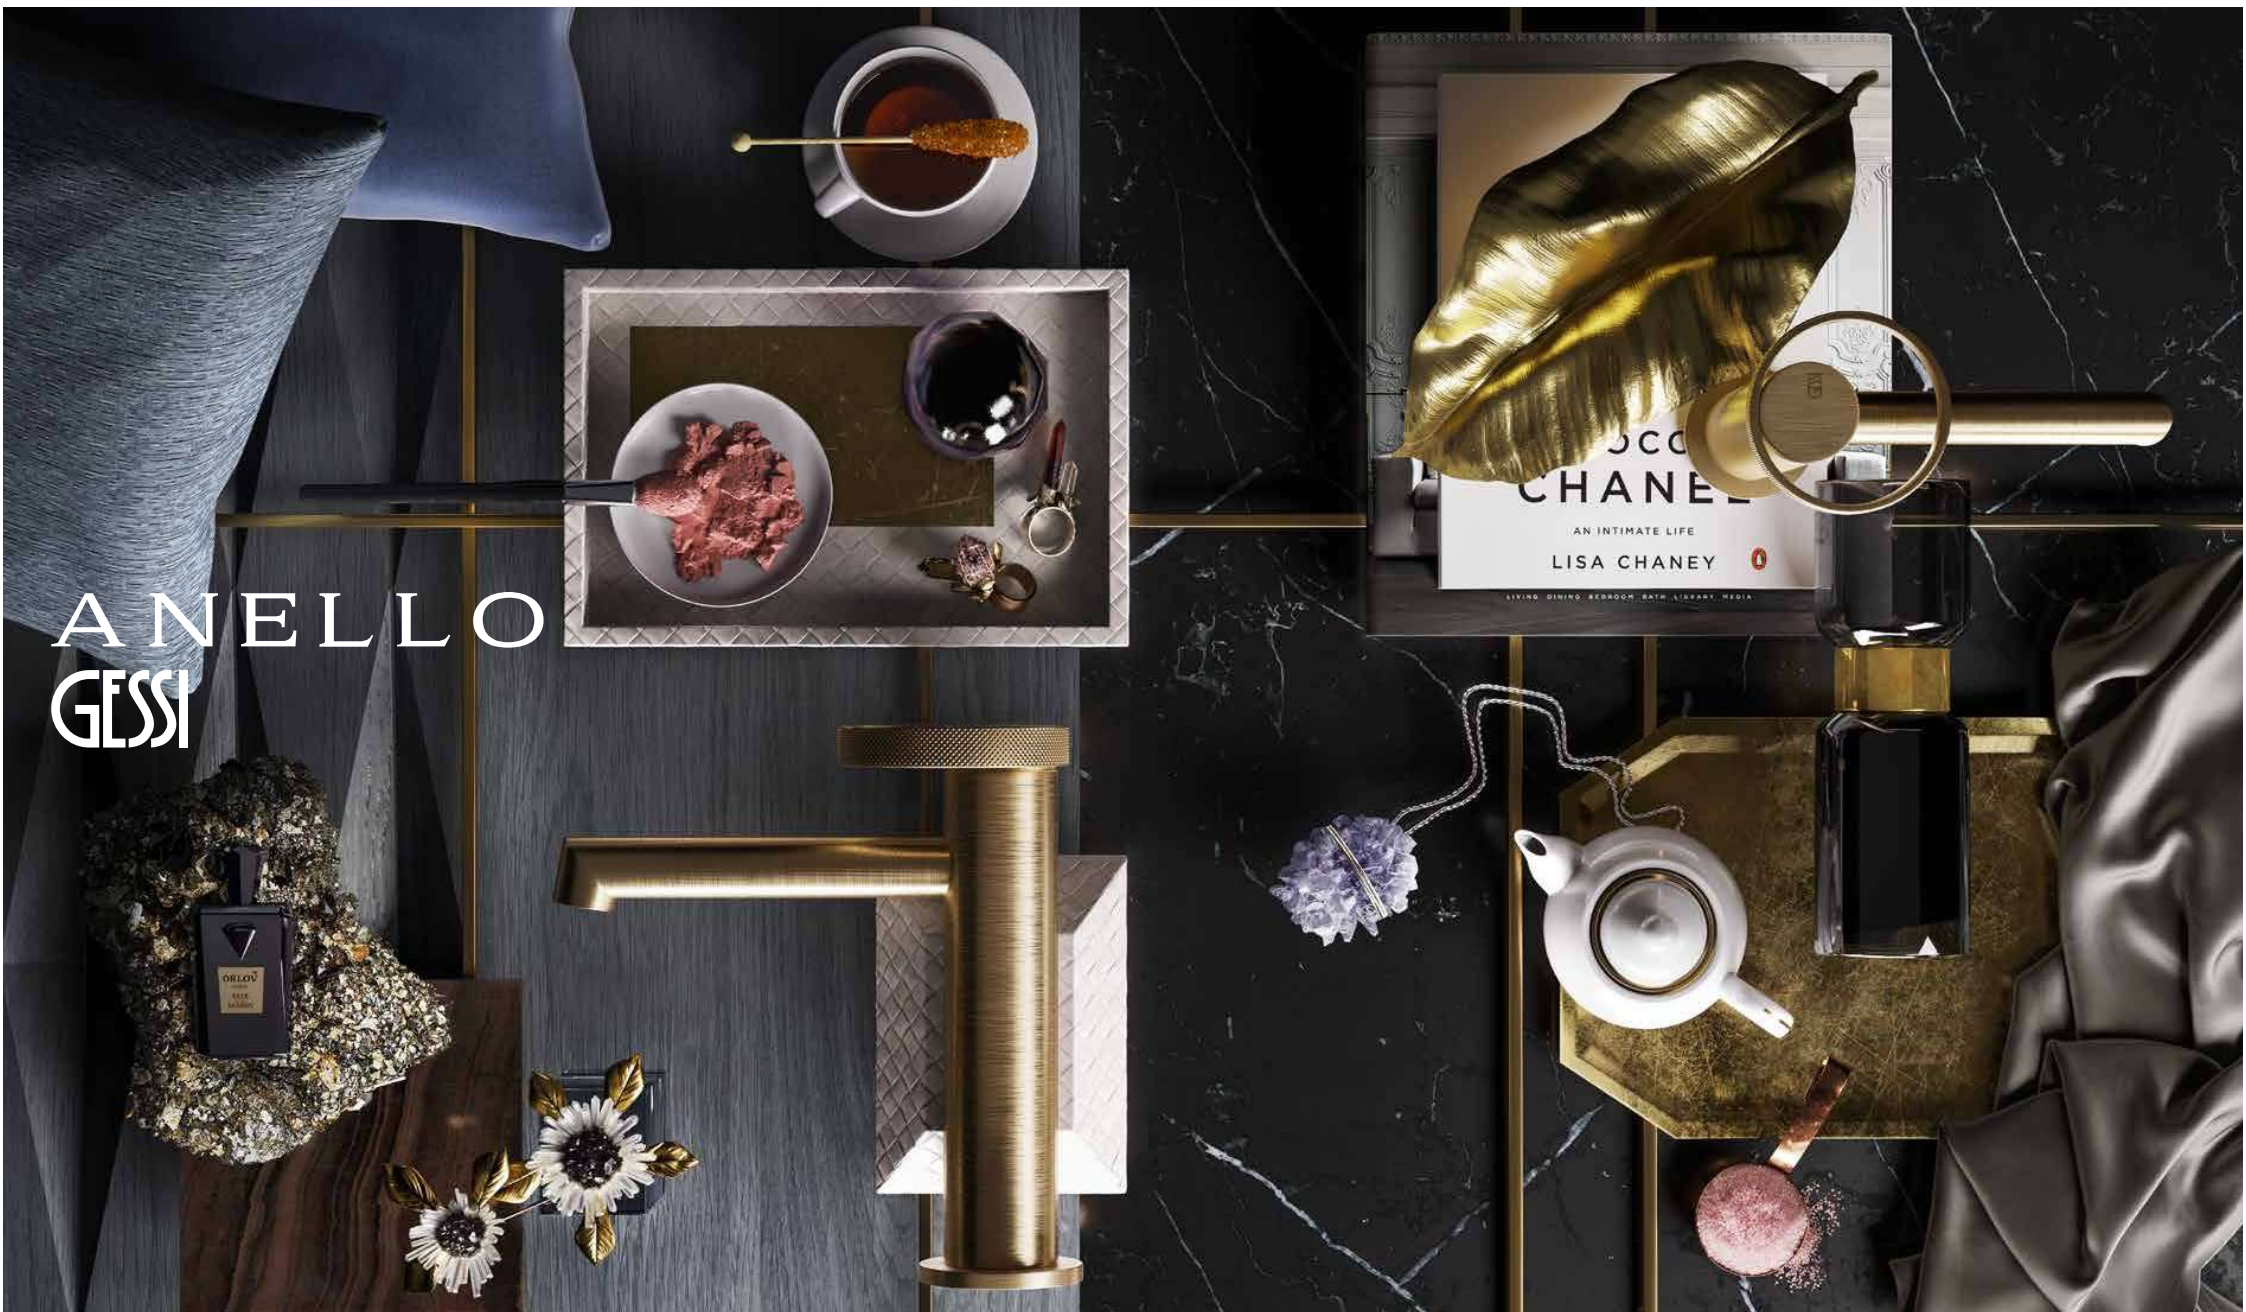

Un corpo slanciato e flessuoso, in questa versione possiamo ammirare Anello nella finitura Chrome. Il gioiello ad anello della maniglia si trasforma in elemento distintivo, grazie all'abbinamento tra il decoro e la superficie liscia del corpo. Caratterizzato da un effetto lucido a specchio, il cromo è un grande classico senza tempo nella sala da bagno e garantisce versatilità e creatività illimitata grazie alla sua purezza.

L' UOMO INGRANAGGIO

Ingranaggio soars with pride and austerity dressed in black. The Black Metal Brushed is a smooth and tactile finishing, treated to ensure that its color is maintained forever, adapting to timeless architectural atmospheres.

Ingranaggio si slancia con "erezza ed austerità vestito di nero. Il Black Metal Brushed è una "nitura liscia e tattile, trattata per garantire che il suo colore venga mantenuto per sempre, adattandosi ad atmosfere architettoniche senza tempo.

LINEARITY AND ERGONOMICS

Linearità ed ergonomia

Ingranaggio is a symbol of linearity and ergonomics which thanks to its shape shows diverse and complementary features in combination with polished or brushed finishes, such as chrome and Finox. If the first one shines with light, Finox gives an industrial aesthetic inspired by stainless steel, highlighting the balance and details of the shapes.

Ingranaggio, simbolo di linearità ed ergonomia, grazie alle sue forme mostra anime divergenti e complementari in abbinamento alle finiture lucide o spazzolate, come il cromo e il "nox". Se la prima risplende di luce, "nox" regala un'estetica industriale ispirata all'acciaio inossidabile mettendo in evidenza l'equilibrio e i dettagli delle forme.

CLEAN AND TIDY LOOK

Look pulito e ordinato

The Ingranaggio wall mounted basin mixer gives a clean and tidy look.

Il Wall mounted basin mixer di Ingranaggio con l'installazione a parete dona un look pulito e ordinato.

FROM SUIT TO SUITE, DRESSING THE BATHROOM WITH STYLE

For Coco Chanel "fashion is not something that exists only in the form of clothes. Fashion is in the sky, in the streets, fashion has to do with ideas, the way we live". GESSI takes it to the most intimate room of living. Woven Metal, which has already been used for the creation of emblematic GESSI collections, with its evocative power of the world of finishes, highlights the craftsmanship. The purity of each of the textures, the result of in-depth studies and a complex and elaborate production to "dress the metal", becomes distinctive.

Per Coco Chanel "la moda non è un qualcosa che esiste solo sotto forma di abiti. La moda è nel cielo, nelle strade, la moda ha a che fare con le idee, il modo in cui viviamo". GESSI la porta nella stanza più intima dell'abitare. Il Woven Metal, il "metallo tessuto" già sperimentato per la creazione di emblematiche collezioni GESSI, con il suo potere evocativo del mondo delle finiture, sottolinea la maestria artigianale. La purezza di ognuna delle texture, frutto di studi approfonditi e di una produzione complessa ed elaborata per "vestire il metallo", diventa distintiva.

IL 'METALLO TESSUTO', SEGNO DISTINTIVO DI UN SISTEMA SARTORIALE

The Woven Metal, distinctive sign of a tailoring system

THE PRIVATE WELLNESS COMPANY GESSI

CESELLO

Cesello best expresses the concept of Made in Gessi, synonymous with high jewellery and craftsmanship in the world of interior design. The delicate texture is inspired by the goldsmith's art of chiselling, metal processing through a small chisel.

Cesello esprime al meglio il concetto di Made in Gessi, sinonimo di alta gioielleria e artigianato nel mondo dell'interior design. La texture delicata si ispira all'arte orafa della cesellatura, lavorazione del metallo mediante un piccolo scalpello, il cesello.

Trame pays tribute to the territory where GESI was born, birthplace of textiles and the fashion system. The decoration of each element brings to mind the weft or the set of threads arranged horizontally on the frame, from one end to the other, which are used in the process of forming a fabric. The parallel with the world of fashion implies the desire to explore unusual areas in a mostly technical and functional world, bringing eclecticism and style to interiors.

Trame rende omaggio al territorio in cui GESI è nata, culla del tessile e del sistema moda. Il decoro di ogni elemento ricorda proprio la trama ovvero l'insieme di fili disposti orizzontalmente sul telaio, da un'estremità all'altra, che concorrono nel formare un tessuto. Il parallelo con il mondo della moda sottintende la volontà di esplorare ambiti inusuali in un mondo per lo più tecnico e funzionale portando eclettismo e stile negli interni.

A REFINED MOODBOARD INSPIRES THE CREATION OF CONTEMPORARY ENVIRONMENTS

Un moodboard raffinato ispira la creazione di ambienti contemporanei

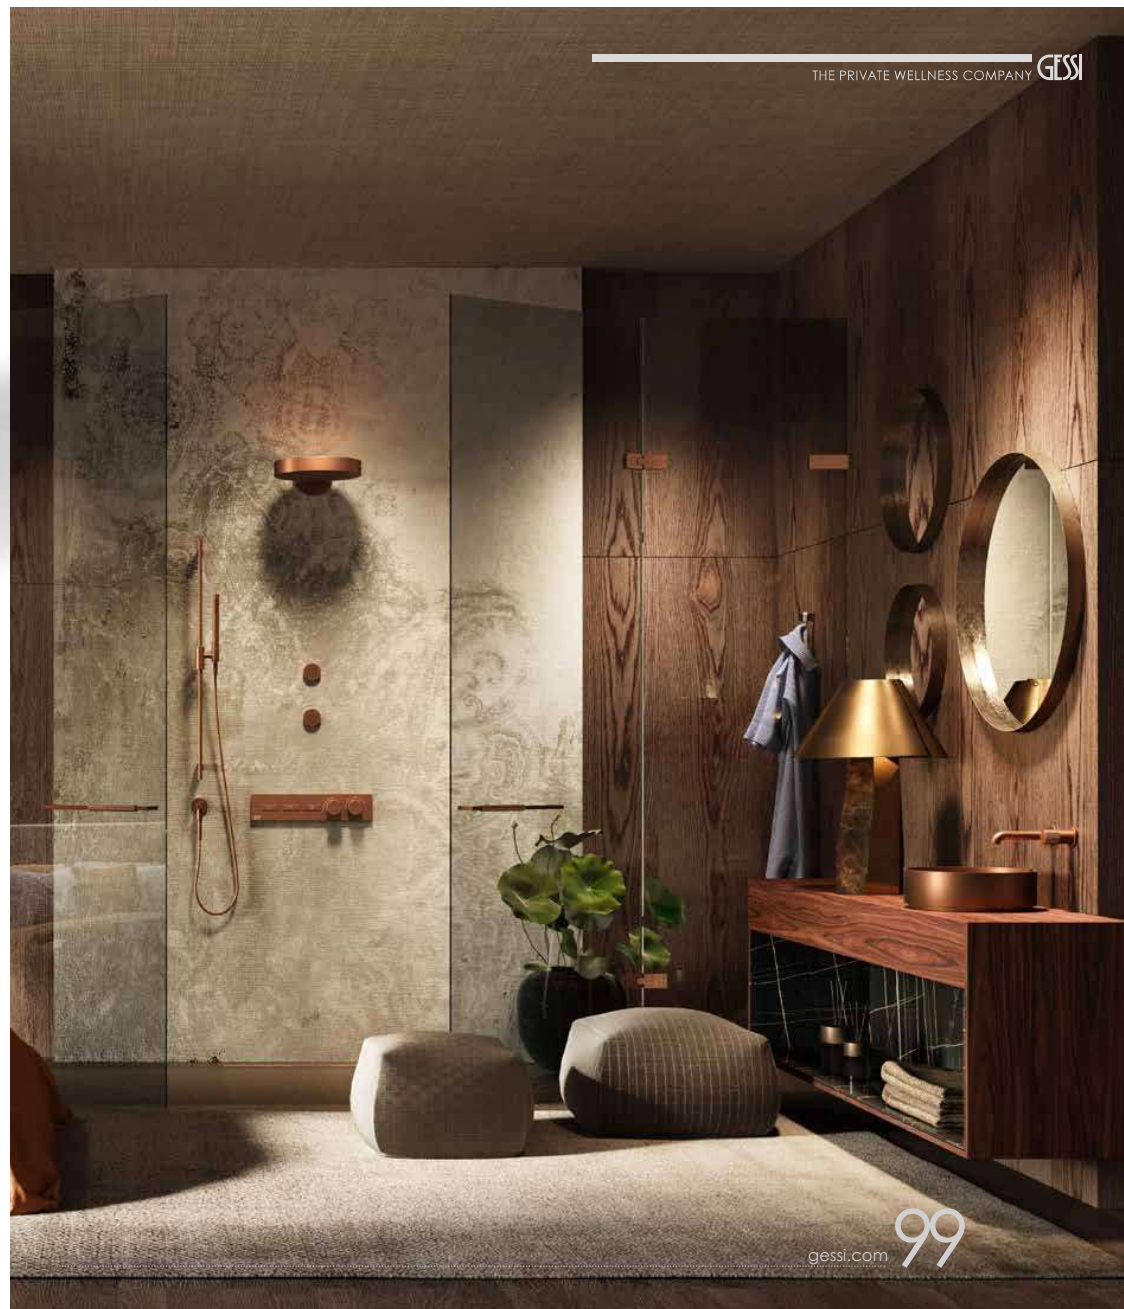

RIGATO

THE ABSOLUTE ELEGANCE OF A PINSTRIPE

Rigato evokes the rigour of a tailored suit, the refined exquisiteness of a haute couture garment. It conveys confidence and a reserved attitude to exchange with other decorations and materials. For this reason, it is suitable for formal environments but also for those characterised by relaxed informality. Like an outfit that reveals the personality of the wearer.

L'ELEGANZA ASSOLUTA DI UN GESSATO

Rigato evoca il rigore di un abito sartoriale, la raffinata squisitezza di un capo di alta moda. Trasmette sicurezza e una riservata attitudine allo scambio con altri decori e materiali. Per questo si addice ad ambienti formali ma anche a quelli caratterizzati da rilassata informalità. Come un vestito che lascia trasparire la personalità di chi lo indossa.

INTRECCIO

The tribute to the world of fashion is celebrated with Intreccio, whose diamond texture recalls the best in craftsmanship. On the one hand, the creation of soft woven leather that characterises the creations of the most prestigious Italian leather goods brands. On the other, the diamond shapes of knitwear and English quilted fabrics. A reassuring and refined design with an undisputed taste.

L'omaggio al mondo della moda viene celebrato con Intreccio, la cui texture a rombi ricorda le migliori lavorazioni artigianali. Da un lato, la realizzazione della morbida pelle intrecciata che caratterizza le creazioni dei più prestigiosi brand di pelletteria italiani. Dall'altro, le losanghe della maglieria e dei tessuti trapuntati inglesi. Un disegno rassicurante e raffinato dal gusto indiscusso.

La perfezione che trasforma la luce in incanto

It unleashes all its evocative power of fascinating worlds that stimulate the imagination. Attainable privileges that seduce. The contrast between tactile décor and shiny metal awakens the senses. The daily ritual is celebrated in an intimate and personal space that accentuates the personality of those who live it. The Diamantato woven metal offers a new value to Private Wellness.

Sprigiona tutto il suo potere evocativo di mondi ricchi di fascino che stimolano la fantasia. Privilegi raggiungibili che seducono. Il contrasto tra il decoro tattile e il metallo lucente risveglia i sensi. La ritualità quotidiana viene celebrata in uno spazio intimo e personale che accentua la personalità di chi lo vive. Il metallo tessuto Diamantato offre una nuova valenza al Private Wellness.

fiWhere do I want the water to come from.JØ

From the -eor, the ground, the wall, the ceilingJ This is the revolutionary question posed by Gessi in 3111, at a time when all taps were mere support valves at the bottom of the washbasin.

To bring to life this unprecedented aspiration @ moving the -ew of water to wherever we desired @ Gessi thought up a radical design based on the purity of an absolute, strong and rigorous form: abstraction in its essence, like parallel lines traced on a designer's sketchbook, in any form.

fiDa quale punto voglio che venga erogata l'acqua.JØ

Dal piano, da terra, dal muro, dal soff"ttoJ é questa la rivoluzionaria domanda che Gessi si pose intorno al 3111, in un momento in cui tutti i rubinetti erano valvole da appoggio sul piano del lavabo. Per realizzare l'inedita aspirazione di portare l'erogazione dell'acqua dove si volesse, Gessi pens a una radicalizzazione del design verso la purezza di una forma assoluta, forte e rigorosa, astrazione nella sua essenzialità @ come linee rette parallele tracciate sul foglio di un progettista @ di qualunque forma.

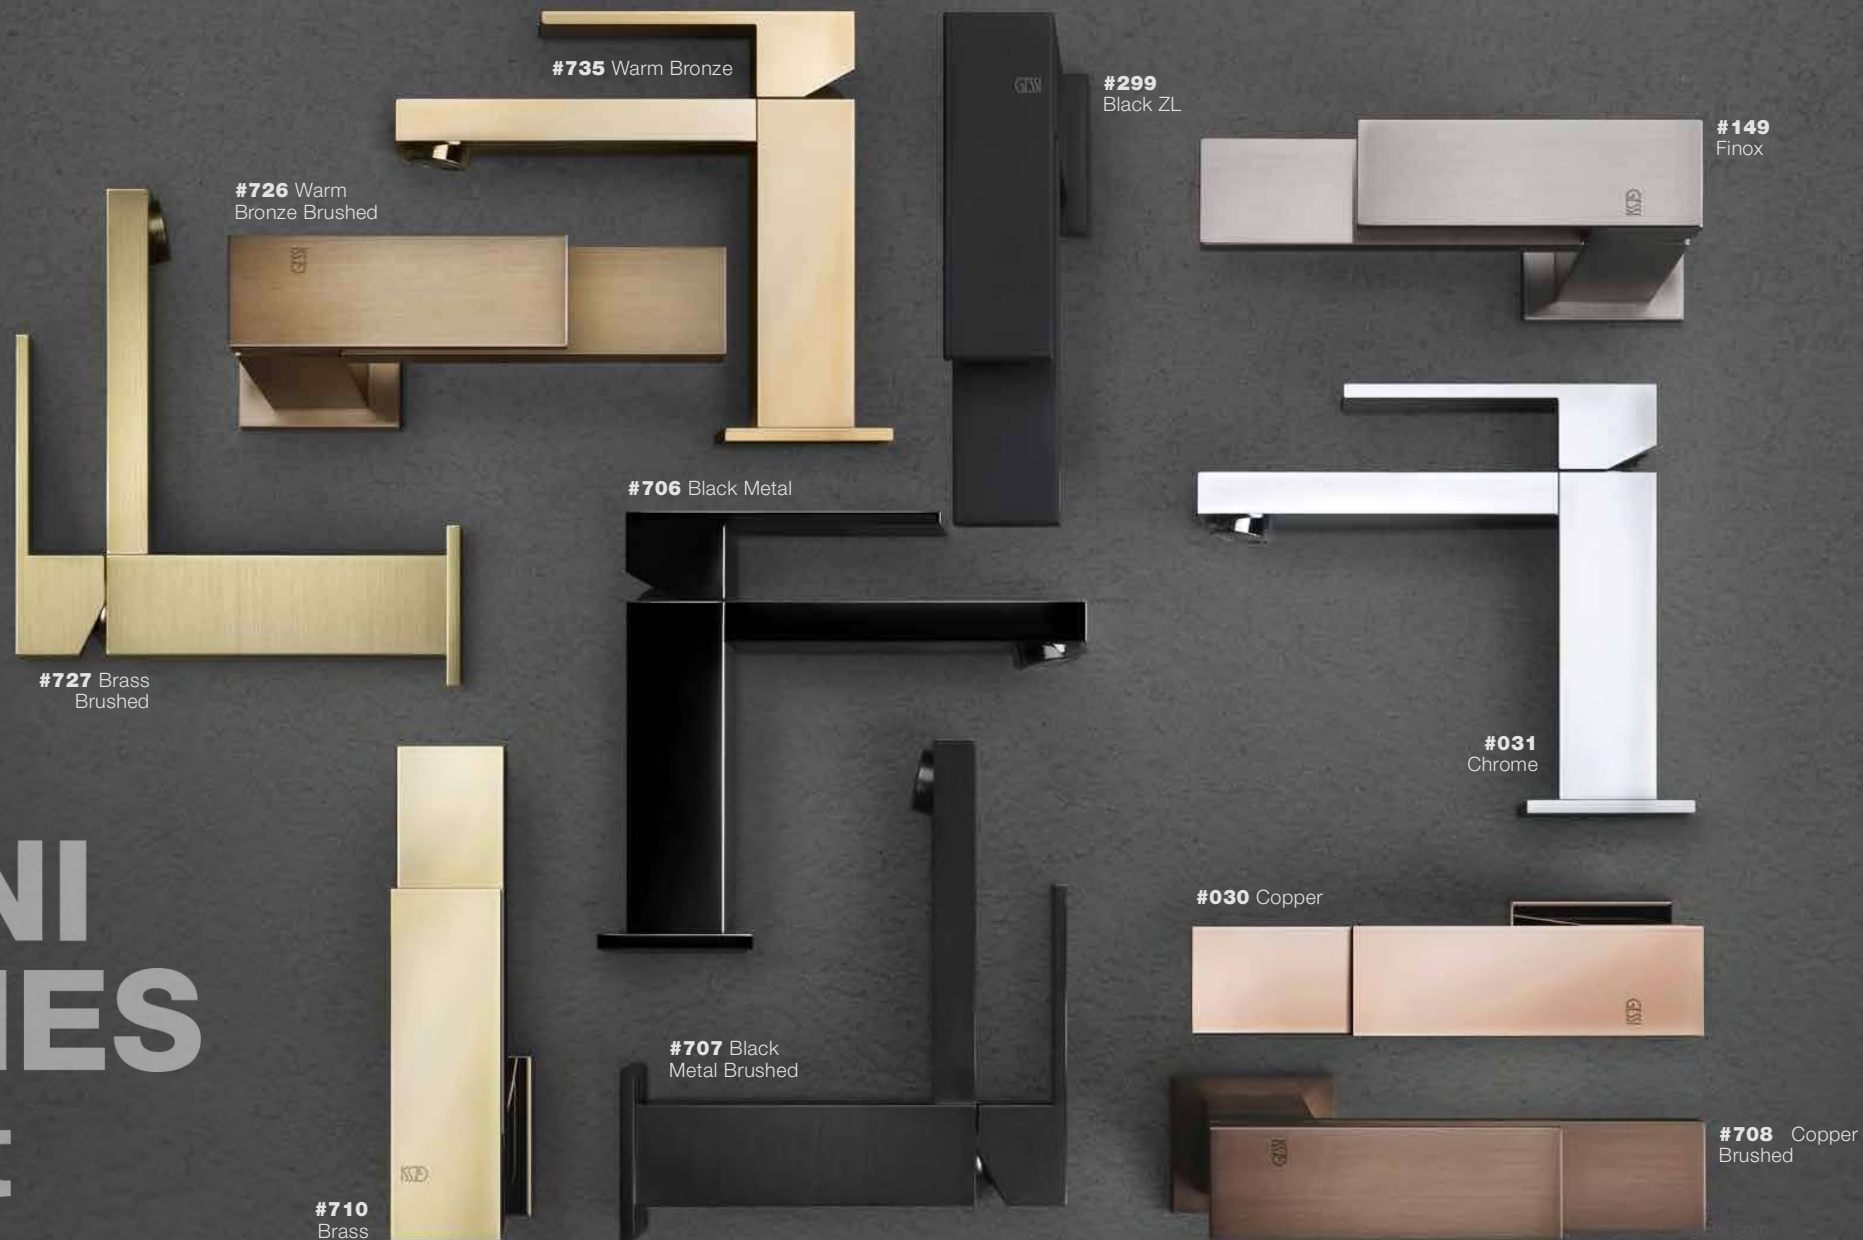

Rettangolo was born from an expression of creative freedom, from the original and ironic exploration of iconic symbols, in simple yet evocative forms. The rectangle is a surprising and unusual geometric shape for taps, a perfect demonstration of how design, with its ability to infuse art in consumer and everyday products, can enrich the spaces in which we live, transforming simple, everyday actions and places into something special.

Rettangolo nasce da un gesto di libertà creativa, dalla esplorazione originale e ironica di simboli iconici, di forme semplici ma evocative. Il Rettangolo è un segno geometrico sorprendente e inusuale per la rubinetteria, perfetta dimostrazione di come il design, con la sua capacità di infondere un contenuto artistico nei prodotti di consumo e uso quotidiano, arricchisca gli spazi in cui abitiamo, rendendo speciali i luoghi e i gesti semplici di ogni giorno.

FRESH, DIFFERENT AND BEAUTIFUL

NUOVO, DIVERSO E BELLISSIMO

Breaks in objects, as those that occur in life, shall be emphasized with a shining mark, as they result in the true essence of a story. This is why a disruption can generate an even more powerful form of beauty: what breaks becomes more precious, as it is unique. This is very true for Rettangolo X, since the design concept of the Line consists in cutting the celebrated solid body of the Rettangolo faucet with a transverse line that fractures it, subverting its iconic silhouette and creating an inedited angle. A new light redesigns the illustrious silhouette of Rettangolo and the result is amazing: while the object retains the accomplished harmony of the original figure, it is fresh, different, and absolutely beautiful.

Le discontinuità negli oggetti, come quelle della vita, vanno valorizzate con una linea di luce, poiché rappresentano la vera essenza di una storia. È per questo che da un taglio nasce una forma di bellezza ancora più potente: ci che si spezza diventa più prezioso proprio perché unico. È questo ci che accade per Rettangolo X, il cui concept vuole che la forma perfetta e apparentemente immutabile del corpo di Rettangolo sia percorsa da una linea trasversale che la spezza, che ne sovverte la silhouette creando un angolo nuovo. Una nuova luce ridisegna la iconica silhouette di Rettangolo e il risultato è strabiliante: l'oggetto conserva la compiuta armonia della figura originaria, ma è nuovo, diverso, bellissimo.

RETTANGOLO K

THE PRIVATE WELLNESS COMPANY

From a breakage or cut, in life as in things, new ideals of beauty and perfection can arise. Leaving the confidence of a design which was considered unchanging because perfect in shape, Gessi dares to move beyond usual and consolidated, crushing the shape of Rettangolo with an oblique cut, a diagonal line that breaks it and changes its silhouette, reshaping its iconic outline by evoking a fixØ. The result is astonishing: the object preserves its original harmony, but it is new, different and beautiful. A new work of art.

126 RETTANGOLO K

THE PRIVATE WELLNESS COMPANY

Nella vita come nelle cose, da una rottura o da un taglio possono nascere forme di bellezza e perfezione nuove. Gessi, uscendo dalla sicurezza di un design considerato immutabile in quanto perfetto nella sua forma, ha osato spingersi oltre il consueto e consolidato, travolgendo la sagoma di Rettangolo con un taglio obliquo, una linea trasversale che la spezza, che ne sovverte la silhouette creando un angolo nuovo, che rievocando una fixØ ridisegna l'iconica sagoma di Rettangolo. Il risultato è strabiliante: l'oggetto conserva la compiuta armonia della "gura originaria, ma è nuovo, diverso, bellissimo. Una nuova opera d'arte.

GESSI PATENT

THE PRIVATE WELLNESS COMPANY GESSI

goccia

MBDSWB FOVTB IO UBMQVVQ

Goccia is the "rst tap for the living room. This new collection incorporates the idea of a totally new product with enhanced functional and aesthetic content. It opens the way for unlimited and brilliant interior settings. For the "rst time, the outstanding design of Goccia brings a spout into the living room with a sleek and spectacular effect. Water can even spring directly from the dining table, as the Goccia tap and washbasin can become part of the table itself.

Goccia è il primo rubinetto da salotto. La Collezione incarna un concetto di prodotto totalmente nuovo, con valenze funzionali ed estetiche che aprono a soluzioni abitative inedite e geniali. L'acqua entra in salotto con una collocazione scenogra"ca di grande design, o s"ra presenza piacevole e viva sulla tavola da pranzo, cos"che Goccia diventi una elegante estensione di quest'ultima.

B EFUHO HTBDLOH FYFTc FOYLQON FOV

The hybrid nature of the design, with its ability to join rounded and straight geometries, makes Rilievo easily matchable with both round and square shapes, and perfectly fitted in extremely diverse environments, being them minimalistic or decorative. The nimble aesthetic versatility of Rilievo is an advantage for a product conceived for functional and elegant bathrooms, in the world of hospitality as well as in private residences.

WO EFUHO DI F BCCFMMUDF QHOLBN CIFOV

La natura ibrida del design, con il suo incontro di rette e linee curve, rende Rilievo facilmente abbinabile a forme rotonde e quadrate, perfettamente inseribile in ambienti estremamente diversi, siano essi minimalisti o decorativi. L'agilità della versatilità estetica di Rilievo è un vantaggio per un prodotto concepito per bagni funzionali ed eleganti, nel mondo dell'hospitality e nelle residenze private.

RILIEVO

A CONCEPT OF
TIDINESS AND
HARMONY

Un concetto di ordine e armonia

If harmony, based on order, is dictated by a geometrical ratio between parts, the maximum expression of purity of form is the intersection of a circle with a square – according to HBA's belief. This geometric and architectural symbol has been considered greatly evocative through time and across continents and cultures. As the circle evokes eternal movement, the square symbolizes eternity and immutability. The coupling of these two geometries becomes the dynamic image of purity: the transition towards perfection and equilibrium. Indeed, a circle inscribed into a square is the theme that Rilievo by HBA for Gessi brilliantly brings to life, gracing both touch and sight to make the bathroom a haven of body and soul rebalance. A new balance between style, emotion and functionality.

Se l'armonia, basata sull'ordine, è dettata da un rapporto geometrico tra le parti, l'espressione massima della purezza della forma è – secondo l'intuizione di HBA – l'iscrizione di un cerchio in un quadrato. Questa figura geometrica e architettonica è stata molto evocativa nel tempo, attraverso continenti e culture. Il cerchio evoca il movimento eterno, mentre il quadrato simboleggia l'eternità e l'immutabilità. L'accoppiamento di queste due geometrie diventa l'immagine dinamica della purezza: la transizione verso la perfezione e l'equilibrio. Un cerchio inscritto in un quadrato è il tema a cui dà vita Rilievo by HBA per Gessi: una gratificazione per il tatto e la vista che trasforma il bagno in un'oasi di riequilibrio per corpo e anima. Un nuovo equilibrio tra stile, emozione e funzionalità.

THE PRIVATE WELLNESS COMPANY GESSI

The embossed round relief under the handle, besides representing an absolute aesthetic innovation, stands as both an ergonomic and sensory element of great tactile pleasantness.

Il dettaglio circolare a rilievo sotto la maniglia, oltre a essere un'assoluta innovazione estetica, diventa anche elemento ergonomico e sensoriale di grande piacevolezza tattile.

As a mix of organic and geometric design, a fusion between the quiet and graceful eastern shapes inspired by nature and the contemporary edge of Western flair, Cono gives to any environment a special feel of relaxation. The minimalist style and the maximum attention to details transmit a message of distinction and essentiality.

Incontro di stile organico e geometrico, fusione tra l'armoniosa serenità di forme orientali, ispirate alla natura, e uno stile occidentale lineare e deciso, il design estremamente innovativo di Cono fa sì che la collezione infonda uno speciale senso di relax a ogni ambiente. Lo stile minimalista e la massima attenzione ai dettagli trasmettono un messaggio di distinzione e di essenzialità.

158 ELEGANZA

THE PRIVATE WELLNESS COMPANY GESSI

The elegant objects, furnishings and designs with which we surround ourselves say something about us, and embody the essential need for beauty and style that we express throughout our daily lives. Gessi has embraced this aspiration by creating Eleganza, a refined total look collection for the bathroom inspired by the pursuit of shaping the intangible concept of elegance, by realizing it in furnishings that clearly express all of its distinctive features. The Collection embodies the idea that elegance should shape a unique, enduring and tangible habitat that can be privately enjoyed on a daily basis.

Gli oggetti, gli arredi e i design eleganti di cui amiamo circondarci parlano di noi, ed esprimono un bisogno essenziale di bellezza e stile nel vivere quotidiano. Gessi ha voluto esaudire questa aspirazione con la creazione di Eleganza, una ricercata Collezione total look per il bagno ispirata dalla volontà di dare forma all'impalpabile concetto di eleganza, concretandolo in oggetti d'arredo che ne racchiudono tutti i tratti distintivi. La collezione incarna l'idea che l'eleganza debba dare forma a un habitat tangibile, unico e durevole, da vivere quotidianamente nel proprio spazio privato.

It is said that some objects 'call' us. In other words, they exert over us a special attraction, as the result of the energy resonance we have with them. Wood, stone, metals, all the elements that balance the composition can be freely chosen and combined, so that everyone can find his own personal balance.

VTQYB IMVWQ FS WMCTIQ

Si dice che alcuni oggetti 'ci' chiamino. Che esercitino su di noi un'attrazione particolare frutto della risonanza energetica che abbiamo con loro. Legni, pietre, metalli, tutti gli elementi in Equilibrio nella composizione possono essere liberamente scelti e combinati, cosicché ciascuno possa trovare il suo personale equilibrio.

Through Hi-Fi Gessi renovate the stylistic experimentation and technological research aimed at offering a personal and customizable wellness experience in the bathroom. Not only is this the environment where all the trends and suggestions of contemporary interior design are sublimated, but also where fundamental conditions and tools for mental and physical well-being are created.

Con Hi-Fi Gessi rinnova la ricerca e la sperimentazione, stilistica e tecnologica, di un benessere, personale e personalizzabile, dal realizzare nel proprio bagno, come ambiente in cui si sublimano tutte le tendenze e le suggestioni dell'interior design contemporaneo, ma si creano anche fondamentali condizioni e strumenti di benessere psicofisico.

The essence of memorable high fidelity stereo systems evokes the wellness of music, recovers the pleasure of the tact and, through the experience of water, amplifies the senses to rediscover the harmony of personal time and of the more intimate spaces of living.

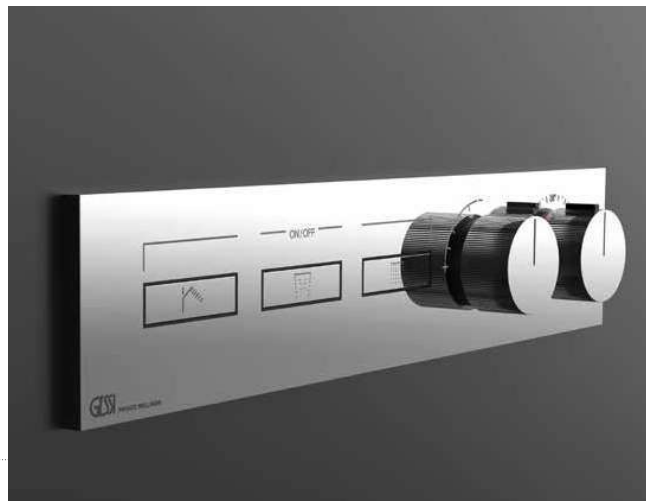

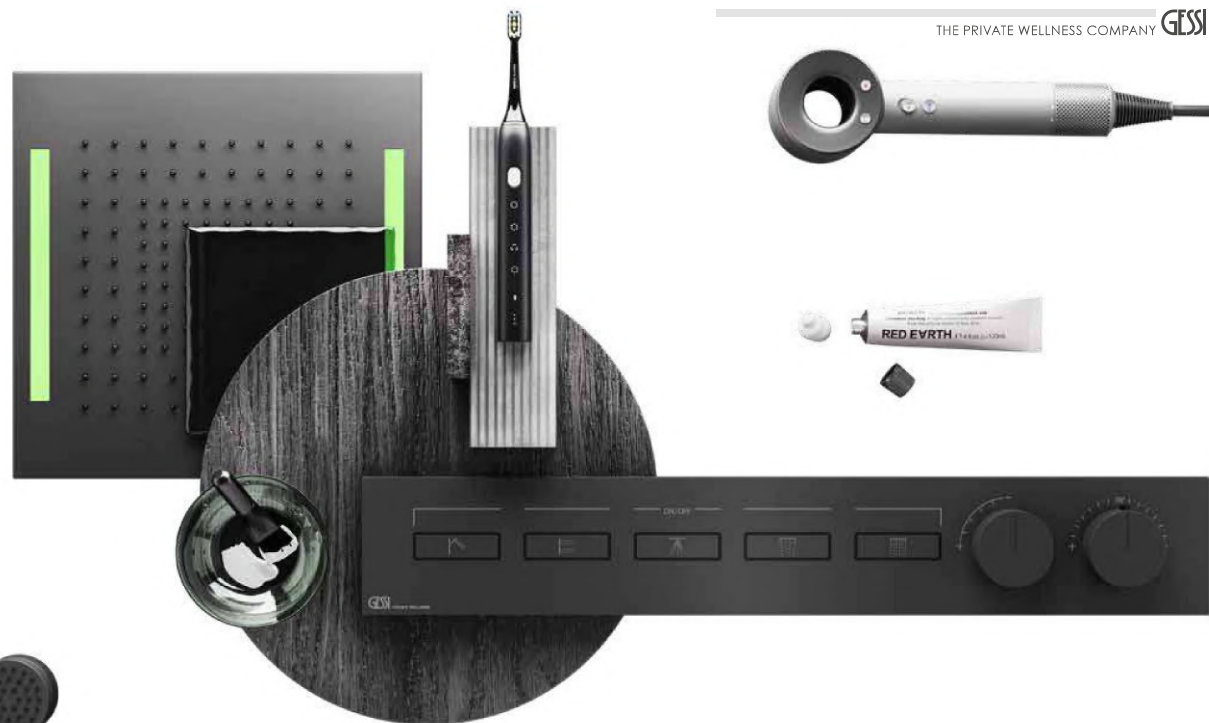

L'essenza dei memorabili impianti stereo ad alta fedeltà evoca il benessere della musica, recupera il piacere del tatto e, attraverso l'esperienza dell'acqua, amplifica i sensi per ritrovare l'armonia del proprio tempo e degli spazi più intimi dell'abitare.

Gessi has always coupled the advantages of high quality design with technological excellence to emphasize style and wellness in the bathroom. Design is conceived to work on emotion as well as to improve technical performance in using water for wellness. The Hi-Fi range represents the highest attainment in the Gessi aesthetic research for the shower as it aims to elevate it to a haven of well-being.

Per Gessi i vantaggi del design di alta qualità si accompagnano, da sempre, all'eccellenza tecnologica a favore dello stile e del benessere nel bagno; il design serve tanto a emozionare quanto a migliorare le performance tecniche nella erogazione dell'acqua. La gamma Hi-Fi rappresenta il punto più alto della ricerca di Gessi per l'estetica dell'acqua, che valorizzi la doccia come angolo di benessere.

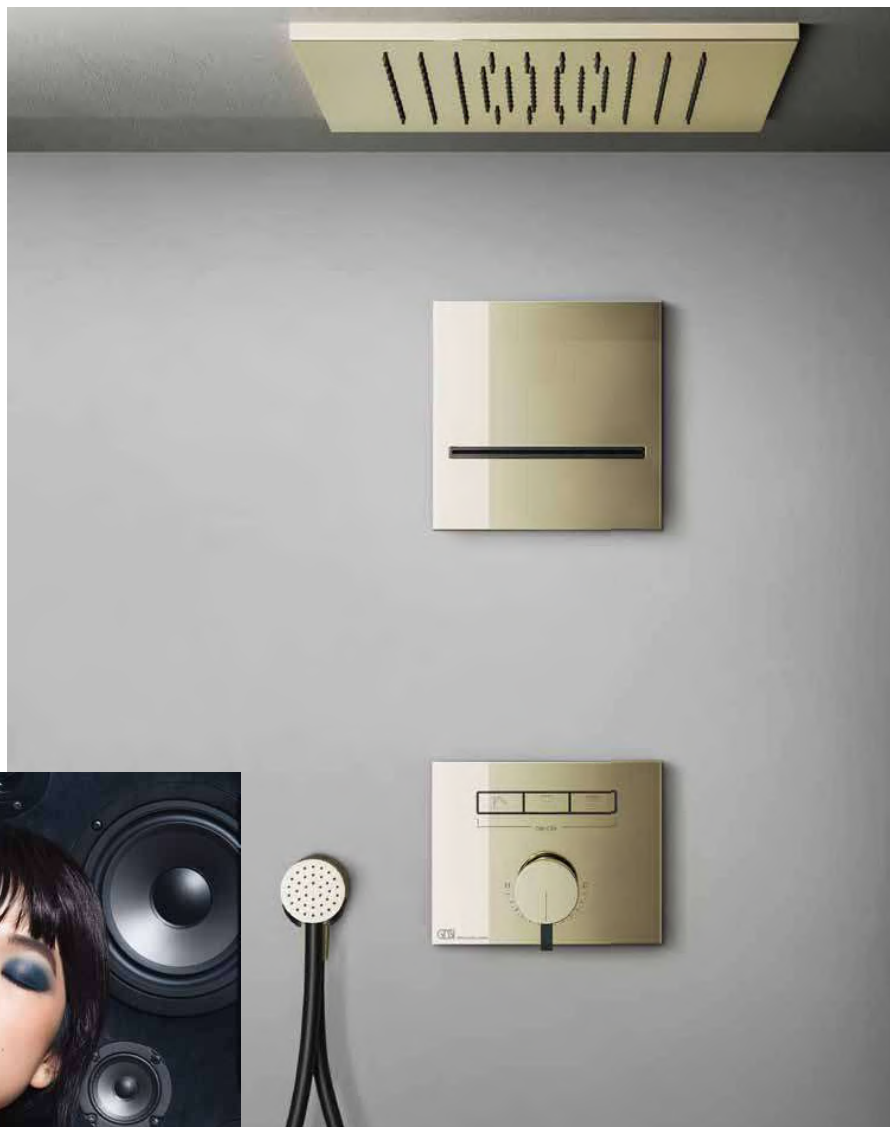

Gessi conceives every aspect of their design to serve the aim of creating wellness in the user: the shape, the positioning of the internal and outer components, the choice of materials, such as external details as surface treatments and icons, everything is indeed intended to improve the shower environment and make it more enjoyable.

Ogni aspetto del design per il benessere è concepito per servirne la funzione: la forma, il posizionamento dei componenti interni ed esterni, la scelta dei materiali, i dettagli esterni come superfici, trattamenti e icone; tutto è inteso a migliorare l'ambiente per renderlo più godibile.

The flow control knobs are equipped with a precision flickØ rotation system inspired by the adjustment crown knobs of high-end watches. They also evoke the cylindrical handles for the tuning and volume so typical of the sound systems of the analogic control era.

Le manopole di controllo della portata sono dotate di un sistema di rotazione di precisione a 'click' mutuato dalle corone di regolazione degli orologi d'alta fascia e parimenti evocativo delle maniglie cilindriche per la sintonizzazione e il volume audio degli stereo a controllo analogico.
